

REMARKS

Reconsideration of the application in view of the above amendments and the following remarks is respectfully requested. Claims 16-20, 36-40, and 56-60 have been canceled. Claims 1-15, 21-35, and 41-55 remain pending in the application. Applicants submit that this response places the application in condition for allowance. Thus, entry of this response is respectfully requested.

In the Final Office Action, the Examiner required that the expression "www.w3c.org" appearing on page 2, line 12, of the Specification be amended by deleting the "www" at the beginning of the expression. This amended has been made. Thus, Applicants request that this objection be withdrawn.

CLAIM REJECTIONS – 35 U.S.C. §102

In the Final Office Action, the Examiner rejected claims 16-20, 36-40, and 56-60 under 35 U.S.C. §102(e) as being anticipated by Richard (U.S. Pub. No. 2002/0073119). These claims have been canceled from the present application (Applicants may choose to pursue these claims in a continuation application). Thus, Applicants request that this rejection be withdrawn.

In the previous Office Action, the Examiner stated that claims 1-15, 21-35, and 41-55 are allowed. Applicants thank the Examiner for this allowance.

Applicants believe that all substantive issues have been resolved in the present application. Accordingly, entry of this response and allowance of all pending claims is respectfully requested.

Respectfully submitted,
